

Upwood & The Raveleys Newsletter

June 2008 Number 36

Editorial

The value of the Newsletter is already acknowledged and there are a number of suggestions that have been put forward to extend the content and provide more information. One suggestion that has been accepted is the inclusion of single line advertisements for items for sale or wanted. Another suggestion that is being developed is a schedule of the days and times that a service comes to the villages, like the library van, the fish merchant and the fish and chip shop. Having heard recently that we have a number of new residents in the parish we appreciate that the newsletter can be a quick reference for what's going on in the immediate future. Finally, a welcome to the new arrivals. We hope that you will enjoy living here.

UPWOOD FETE SATURDAY 28th JUNE

The weather has been booked, fine and dry but not too hot. The organisers and their helpers are all set to give us another Fete which promises to be even better than previous years. This issue of the newsletter contains the programme of events so that you have some idea what to expect. See you there.

Small Advertisements

A new feature in the newsletter will be single line adverts of items for sale or wanted. There would be a small charge of £2 a line. A single line is 15-18 words. The deadline for adverts to go in the next issue is found at the bottom of the back page. Just drop your advert and £2 in an envelope through the Editor's letter box, or telephone him.

Upwood & The Raveleys History Group

The History Group has an interesting programme for the next few months. On Tuesday 17th June the group is going to visit Elgoods Brewery and gardens at Wisbech. This costs £5.50 for members which covers the cost of the tour. Non members are welcome to come along too. On July 16th Brian Jones is going to talk about the Norman Cross Prisoner of War Camp that existed on the outskirts of Peterborough. On Wednesday 20th August the group is visiting the Museum at the Scott Polar Research Institute in Cambridge. This is free. The Trumpington Park and Ride bus passes close by the Museum. If you would like to join the History Group, or would like more information, please contact Ian Gaunt on 710702.

A splendid effort

Anyone travelling between Upwood and Bury cannot fail to notice the trimmed edges to the footpath, the neatly cut grassed areas adjacent to Fairmead Park and the colourful floral displays that have been planted. This is all due to the efforts of Robert Brown, a Fairmead resident who devotes so much of his time and energy to improving the appearance of the area. Thank you Robert.

The Governors of Upwood Community Primary School, with Upwood & The Raveleys Pre-School Playgroup and Upwood's Out After School Child Care Club are working on a project that will vastly improve the facilities available to our community.

They are planning a purpose built, eco-friendly building at Upwood School and are looking for support at the planning, funding and development stages.

Upwood & the Raveleys Website – www.upwood.org

This has now been updated to include a short Photo Tour of the villages as well as a Parish Council webpage where you can download minutes of previous meetings. This newsletter can also be downloaded from the website. A History section will be added shortly with a selection of old photos and links to related sites. If you have ideas for further improvements please contact the webmaster: webmaster@upwood.org

County Archive

Can you help?: If you have photos of Upwood or the Raveleys that you think would be of interest to a wider audience please contact the Upwood Group. The photos are only scanned and will be returned to you in original condition. Do have a look at the website; there are now groups all over the county so you may have pictures other groups would be interested in. Last, but not least, would you like to help? If you can spare the time we can show you how. We would love someone to record memories; if you would like to chat about the past and have a recorder going at the same time let us know.

Can we help?: If you don't have a computer but would like to see the website; maybe put some of your photos on or just talk to us we can arrange to meet you at the community access computer in the Cross Keys and show you the website.

RAMSEY AND DISTRICT GARDEN CLUB

Modern lifestyles are often so hectic that there's little time left to spend developing our gardens. And yet, however small the amount of time we can spare, if used well, we can achieve lasting benefits.

The speaker for the May meeting cancelled at the last minute and was replaced by a quiz.

Please come along, you don't have to be a member, and the nominal fee of £2.00 per evening includes refreshments. You can also find out more about our Club by coming along to see us at the Abbots Ripton Hall Garden Show. Along with other competitors we are designing a show garden entitled 'Climate Change: Our Changing Landscape'. The Show is being held over the weekend of 20th - 22nd June 2008.

Saturday July 19th 2008 will see us at the Ramsey Rural Museum with our 16th Annual Show. This show is open to everyone and has a wide range of classes; from flower arranging to photography as well as fruit and vegetables. It includes a section for children and for beginners so there's a class for everyone! Our Society President, the Rt Hon Lady De Ramsey will be presenting the prizes again for us this year.

Our meetings are held at The Rainbow Resource Room, Stocking Fen Road, Ramsey and start at 7.30pm. (Free car parking on site).

Upwood & The Raveleys Village Fete

The fete this year will be in the "Cross Keys" paddock between 1 and 5 pm on Saturday 28th June. The Fete Committee are hard at work planning this year's event and there promises to be even more stalls, exhibits and games than ever before. Make a note of it in your diary so that you don't miss it. If you would like to have a stall, or game or take part in any way please get in touch. Maybe you know someone who has a hobby or a craft such as spinning or wood turning and think that they may be interested? Stalls are now available. We are always looking for new demonstrators and craft workers, as well as helpers on the day.

Don't forget to note the date and if you would like more information please contact Frances Ashfield on 711411.

Parish Council matters

The problem of dogs fouling the footpaths in the parish was raised again. Evidence, preferably photographic and certainly witnessed, would result in prosecution. The poor condition of some roads in the parish was raised again. Grass cutting is now in the hands of LT Gray General Builders. Concerns about the standard of grass cutting have been noted. Hedging and ditching alongside the road by Farm Close is the subject of negotiations with the appropriate authorities. The May meeting is the time when the council elects its officers. This year David Paine took over the Chairmanship from Colin Racey, with Jo Paxton assuming the role of Vice Chairman. Colin remains Tree Officer, Keith Sisman liaises with the Police and Andrew Perkins represents the Village Hall. Members were advised that the proposal for the development of 69 High Street had been rejected. Apart from this there were the usual planning applications to be considered as well as other matters that had been raised. Many people will appreciate the plans, which were approved, for new toilet facilities at the Cricket Club.

The Council meets in the Village Hall on the first Monday of each month, unless that is a bank holiday, in which case the meeting is a week later. Meetings start promptly at 7.30pm

UPWOOD 1940s WEEKEND

This event is regarded as one of the best "period" events in East Anglia. But - it does not run itself. The committee work very hard all year organising the event and booking all the features that we enjoy. The week running up to the weekend itself and a few days afterwards are very busy, setting up and taking down. In addition to this there is a requirement for marshalls for access, security and safety. This is where you are asked to help. The open weekend is Saturday and Sunday 16th and 17th August. Helpers are required for the week prior and a few days after the event. Contact Brian Cunningham on 01487 710680 as soon as you can so that he knows how much help he can rely on. Without you the event will be less of a success. Call Brian now. Thank you.

Arthur Albert Silvester

From the moment he arrived in Upwood some 25 years ago Arthur became a great asset to the community. His electrical skills were invaluable to the church and the village hall at a time when both buildings needed some TLC. He was always pleased to pass on any advice on matters electrical having spent his working life in the employ of a Regional Electricity Board in the New Forest. On a lighter note, if you will excuse the pun, one of his moments of fame came when a power failure blacked out an event in the village hall. Arthur located the fuse box and soon had the lights back on, thereby saving the day.

Arthur showed kindness, humility, directness, integrity and a willingness to pass on magazines, parcels and local news as well as visiting the sick and courtesy calling. Nothing was too much trouble.

Arthur and his wife Frances worshiped at St Peter's church for many years until they couldn't manage the walk. Arthur was the epitome of a good neighbour and village supporter. He was laid to rest beside his wife, Frances in Upwood Cemetery on 6th May.

Upwood's Out

The club has been very busy since Christmas, we have had our 3 yearly Ofsted check and passed with flying colours. We held a new year party for the children and we have had a company visit, bringing with them a variety of Mini Beasts ranging from Scorpions to Snakes as well as Toads and Millipedes. Several other such workshops will be visiting us throughout this year, with the next due in July.

As yet I am not sure of the clubs contribution to the Upwood fete this year, this has been left in the very capable hands of the committee. I am sure we will be doing something and that I will be notified in due course.

The other news we have as a club is, sadly after many years our treasurer- Mrs June Green is resigning at the end of July. She has work extremely hard for the club during her time with us and she will be missed greatly - we hope she will stay in touch and we wish her well for the future.

We are currently looking for someone to step into June's role. If you are interested to learn more feel free to contact myself at the club on 813510 Mon-Fri 3pm -6pm and I will pass the relevant details on to Debbie Ayres or Steve Grimwade. Lisa Green

UPWOOD CRICKET CLUB

Upwood played host to a couple of famous figures in English cricket on 4th May during the first round of the npower Inter-Village Cup.

Upwood (Skipped by Chris Benton) were playing Horseheath, from south of the county, and the sponsors of the competition, in conjunction with the Wisden group, provided ex-England Captain, wicket-keeper and batsman Alec Stewart to coach and mentor Upwood, whilst Horseheath were in the capable hands of Dean Headley, ex-England fast bowler.

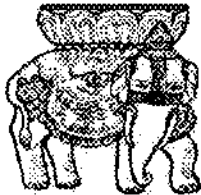

Unfortunately, Horseheath won a good match, played in the best of spirits but an enjoyable day was had by all. Many autographs were collected!

Alec is pictured above with the UCC team.

June Mary Silcock

I first met June in 1939 when Father's office was evacuated to Cambridge for the safety of the staff and their families. I was sent to Miss Victoria Green's top class at Park Street Junior School. I was made to sit behind a **girl** - ugh. Because she was blocking my line of sight I resorted to pulling her pigtails and dipping them in the inkwell. This led to my first experience of corporal punishment, a smack on the back of the head. She seemed to follow me everywhere I went. We both passed the 11+ exam and went on to the Central School which separated boys from girls so, apart from games lessons on Parker's Piece, we lost touch.

When we were about 14 we both attended "The Tech", Cambridgeshire Technical College, which led to June becoming a nurse and I became a printer. We sometimes met by chance in Town but we lost touch for a time. June was working in a Battersea day nursery and I was a compositor for Spicers in Sawston. "The Tech" organised a reunion and June and I met once more and our romance really began.

We met up for "walks" or a trip to the "pictures" or even swimming in the summer. This culminated on 4th December 1954 when we went up to London to see a show. Window shopping in the Strand led us to the Strand Jewellers in whose window was an opal ring. I said (wait for it) "I opal as how you'll marry me". Nine months later we walked up the aisle of the Emmanuel Congregational Church in Cambridge as Mr and Mrs.

Although we lived and worked in Slough we returned to Cambridge in 1962 so that I could work in the Cambridge Boys Club and June could join Addenbrookes. A couple of years later I took a teaching course and we moved to Godmanchester so that I could work in Huntingdon Secondary School (now St Peters) and June worked in Huntingdon Nursery School.

In 1984 we moved to a village that neither of us had ever heard of - Upwood! We bought an old cottage in the middle of the village, attended the local church and got involved in the local activities. June started something called "Meet and Munch" and became a Church Warden. Her involvement in local activities really took off when she retired and had her fingers in so many things in and around Upwood..

In December 2007 June was told that she had a fast growing tumour that was attacking her liver. This eventually took her life and she died in her sleep at 10.30 pm on the evening of Saturday 3rd May. A much loved lady who will be missed greatly in many places. **Chris Silcock**
.....and so will her cheese scones **Deana Hudson**.

Comin' to Carmen?

Principal singers from Peterborough Opera will be coming to Upwood Village Hall to present a concert performance of excerpts from Bizet's popular opera Carmen. The singers include local baritone Martin Muir who will be singing The Toreador, Escamillo, while the lead title role of Carmen will be sung by Liz Williams. John Moorman sings Don Jose. Music Director is John Warnsley who will accompany on the electric piano. It will be sung in English.

This special performance is in advance of the fully staged performance in the Key Theatre, Peterborough, 30th October to 1st November 2008.

Come along to hear some thrilling voices singing Bizet's popular classical melodies on Friday 12th September at 7.30 pm.

Ramsey Local History Group

Local towns and villages are waking up to the realisation that there are people in the area who are getting on a bit and have personal recollections of their town or village as it was years ago, and also have photographs depicting life in bygone days. The Ramsey group is interested in hearing from anyone with old photos, post cards, records and recollections covering Ramsey town, St. Mary's, The Heights and Upwood. If you would like to contribute anything, be assured that the material that you have will be copied and the originals returned safely to you. This excellent effort is essential now, before much of the information is lost for ever. The contact for now is Cyril Metson at M&E Mobile, the garage opposite the Ramsey Post Office. Cyril's telephone number is 812722

In April Deana Hudson [The Real Mrs Hudson] re-visited the club and gave a fascinating account of Life in the Big House. We now know a great deal of what life would have been like for us had we lived at the turn of the 20th century...depending of course on whether we were born into a family 'Upstairs' or 'Downstairs'. We certainly would not have been sitting enjoying Deana's talk, looking at the many items she had brought for us to see and to try on. Thanks again Deana.

TO ALL DOG WALKERS

Come on people, be good sports
When you take your dogs for walks

Don't be lazy clear up their poos
Please don't leave it for our shoes

Bag it pick it up and take it all home
Away from the path where kids may roam

Please think of others who don't have dogs
Who also like to walk, but not through bogs!

We clear up after our dog poo
So come on folks why can't you!

Next time you walk remember this ode
and
BRING SOME BAGS TO TAKE IT HOME!!!!

Cambridgeshire Advanced Drivers Group

... undertakes free Advanced Driving and Riding lessons for bikers and car drivers. Manuals and the Advanced Test has to be paid for, plus, if doing the full course a ten pound registration is required. The test, recognised as one of the hardest in the world, though enjoyable, is conducted by a Police Advanced Driver or Rider to standards set by the DSA, the same people who oversee the standard driving test. The Test can be used for a CV or accreditation with BTEC. This is ideal training for young drivers, or the not so young. One in every 180 people will die in a vehicle collision, Advanced Drivers (or Riders) are far less likely to be involved in crashes and can get cheaper insurance and expect longer vehicle life with lower fuel costs! Anyone interested can contact Keith Sisman on 01487-710552 for further details. "<http://www.cadg.org.uk>" Keith Sisman

LADIES GET TOGETHER

On 28th April Max and Dexter, two beautiful dogs, brought Caroline Murray along to help them demonstrate how good they are at finding hidden drugs. Caroline works with them in the Prison Service searching out illegal drugs. She explained their training and what is expected of them. Both gave a brilliant demonstration of what they can do, and the audience was captivated. Thanks to Caroline, Max and Dexter for an entertaining evening.

In May Jim Day, from Ramsey Heights, showed how to fill a summer hanging basket and brought along suitable plants for members to buy. Our thanks to him, he made it look so easy.

A reminder for members, our last two programme dates:

Wednesday 2 July "Summer Outing" Schools concert at Abbey College at 7.00 pm
