PARISH COUNCIL

The Parish Council was pleased to welcome so many parishioners to the September Meeting. On this occasion three separate presentations were made on topics important to the Parish.

THE VILLAGE PUB: Mr John Abbey's talk about his plans for the pub was very well received but we are very sorry to report that negotiations between Mr Abbey and Enterprise Inns has fallen through and Mr Abbey has withdrawn from the process. Very sad news indeed! Mr Abbey was unable to agree to certain terms dictated by the vendor concerning the proposed status of VAT relative to the commercial and residential space. Enterprise Inns were unwilling to adjust their terms to meet Mr Abbey's requirements and this left Mr Abbey no choice but to withdraw. The Parish Council has spent a considerable time negotiating with Everard Cole, the Agents and with Mr Abbey in the hope that some middle ground could be reached, but sadly it was not to be.

The Parish Council will now discuss the next steps with interested residents and will be considering the reinstatement of the Community Asset Registration moratorium; but only if there is reasonable hope of the village community buying the Cross Keys in the near future.

DEVELOPMENT OF CHURCH FARMYARD, CHURCH LANE, UPWOOD: Mr F. Grounds of Maxey Grounds & Co LLP spoke as the managing agent for the Shepperson Family Trust, owners of Church Farm. The Trustees were hoping to develop the farmyard which is no longer in use and wished to share their ideas with the village prior to seeking planning permission. They propose a low density cottage style development making use of the existing "Austrian Barn" and replacing the original dairy with a new, brick, timber and thatched building similar to the existing buildings. Five new homes would also be built in a sympathetic style making in total seven units of accommodation. There would be plenty of parking, garages and open spaces serviced by one main entrance and two small entrances on Church Lane. An architect's impression of the street scene was displayed and a plan of the proposed layout of the houses. Questions were invited from the audience. One question raised was why no affordable houses were included. The need for satisfactory sewerage was also raised. Mr Grounds stated that concerns for removal of foul water sewerage would be addressed by surveyors should the plans be taken further. The Chairman, Robin Howe thanked Mr Grounds and explained that all planning applications are subject to three main considerations: firstly, whether it is appropriate for a particular site to be developed at all; secondly, whether there is a need to consider the provision of affordable housing; thirdly, that all potential new developments are subject to a survey to determine the impact of additional traffic. The architect's drawings and plans will be displayed on the village website.

PARISH COUNCIL continued:

SPEEDWATCH: Mr D. McCandless, St Ives & Ramsey Sector Community Speedwatch Coordinator explained that Community Speedwatch (CSW) which is funded and guided by the Police has been affected by the recession and that Town/Parish Councils have been asked to commit to CSW (or not) by taking on the responsibility for managing and supporting CSW efforts in their respective areas and for receiving complaints of persistent speeding from their residents. He confirmed that two volunteers would be required in this parish for one hour each month. Please let the Parish Clerk know if you would like to be considered as a volunteer. The Chairman confirmed the Parish Council's continued commitment to promoting road safety.

PARISH CLERK: The Chairman and Councillors were pleased to welcome our new Parish Clerk, Carol Bilverstone, a resident of Upwood, who has most generously agreed to serve as the Parish Clerk without remuneration for one year. Mrs Bilverstone had served as a Parish Councillor for four months and under the rules for Local Councils is not allowed remuneration because of this. After one year the post must be advertised and Mrs Bilverstone may apply again and if re-appointed will receive payment. In the meantime Mrs Bilverstone will undergo the necessary training for Parish Clerks.

COMMUNITY LED PLAN (CLP). The Working Party is continuing to make progress. Please see the separate report on page 5.

BALL GAMES: Please remember that playing ball and riding bicycles are not allowed in the Pre-School Play Area in Bentley Close. The grass in the Playing Field off Ailwyn Road is cut short for ball games so please use this.

NEXT MEETINGS: MONDAY, 7th OCTOBER & MONDAY, 4th NOVEMBER at 7.00pm in the Village Hall.

UPWOOD AND THE RAVELEYS HISTORY GROUP

The History Group meets in the Upwood Village Hall on the third Wednesday of alternate months. In September we were enthralled to listen to Mark Knight, senior project manager of the University of Cambridge Archaeological Unit as he detailed the archaeology of Must Farm, Whittlesey and the exhausting but exciting excavation of the long boats and other artefacts. We cannot wait until March when he will be taking us on a tour of the actual site.

The meeting in November (20th) is a talk by Brian Jones on "The Life and Times of John Clare". This talk follows up a visit many members made to John Clare's house, Helpston in August. There is no meeting in the Village Hall in January because of the Pantomime but members will enjoy a late Christmas celebration instead.

The cost for a membership is £10 but visitors are welcome to individual meetings at a cost of £3. For further information please contact Ian Gaunt 710702; ian.gaunt@care4free.net

COMMUNITY LED PLAN UPDATE – DATE FOR THE DIARY

An open afternoon will be held on Saturday, 19th October, 2 - 4pm in Upwood Village Hall. All parishioners are invited to come and find out more information about the Community Led Plan and look at some of the ideas that people are putting forward for developing the parish.

Teas and coffees will be available and representatives of the working party are looking forward to talking with as many people as possible to gather feedback and glean more ideas that can be incorporated into improving and extending the Plan.

More information can be found on the Upwood and The Raveleys website, Facebook or contact us on upwoodandtheraveleysclp@gmail.com.

The fete is an annual event in the village that supports local organisations and groups by awarding grants from the monies raised at the fete. UPWOOD PRIMARY SCHOOL NEWS

Upwood Primary School pupils and staff have all enjoyed a lovely summer break, making the most of the wonderful weather. We opened our doors for the beginning of the autumn term on the 4th September, welcoming our new Foundation children to primary school for the first time.

During this term, the school collects toiletries for the residents of Manor House, as part of our work on 'Harvest.' Pupils in Years 2 and 5 will visit Upwood Church and Manor House on Monday 7th October to take part in a service to celebrate Harvest and to hand over the donations to residents at the home.

All the children have enjoyed the first few weeks of the academic year and look forward to preparing for Christmas in the coming weeks. Our Christmas Performance this year is entitled 'The Stars Come Out for Christmas' and the children are beginning to think about their parts in the play.

Bingo for Adults: Refreshments available plus a raffle.

Where: Upwood Primary School Hall.

When: 8th and 22nd October, 5th and 19th November, 3rd and 17th December

Time: 7.30pm - 9.30pm

Everyone welcome – you do not need to have a child at the school to attend these sessions.

SCHOOL MEMORIES PROJECT

I am looking to create a record of school memories, particularly from the days when the current village hall was used as the local school and there was a village school in Great Raveley. It is intended to build on the excellent original work included in the "green" and "red" local history books but to produce the final record as an audio/visual resource rather than in a written format.

If you would like to assist with this project, either by interviewing, by researching, or on the technical side, please let me know as soon as possible.

I would also really like to hear from anyone who has personal memories of either the old Upwood or Great Raveley Schools.

Please contact Doug McLeod, 01487 814114 / pndmcleod@btinternet.com

MEMORIES OF UPWOOD SCHOOL

We asked pupils and former pupils of Upwood School for their favourite memories.

We started with some of the current pupils:

- *'My favourite thing about Upwood Primary School is Design and Technology week at the end of each term.'*
- *'I think the school is great, because everyday everybody learns something new and one day that bit of information will be very important to them.'*
- *'Upwood Primary School gives us lots of advice to help us improve.'*
- *'My favourite thing about Upwood Primary School is seeing everyone smiling and happy at break and lunchtime.'*
- *'The teachers can be strict but they are fair.'*
- *'Upwood Primary School is outstanding because of the great teaching which is in progress every school day.'*
- *'My favourite thing about Upwood Primary School is that it makes me feel safe.'*
- *'I like after school clubs because you can do different sports with your friends.'*
- *'I enjoy Art as there is a range of activities from clay work to drawing'*
- *'My favourite thing about Upwood Primary School is lunchtime because you get delicious food.'*

MEMORIES OF UPWOOD SCHOOL

Now comments from former pupils:

'In the playground (about where the drive entrance to the Village Hall is now) stood a Wendy House. When it was our birthday we were encouraged to write invitations to 5 friends, I think, and (if they replied and accepted, of course) to have a party usually with homemade shortbread and orange squash, or maybe a scone or biscuit. Oh, and then a 'thank you' letter had to complete the occasion the next day - as it was good manners to do so.'

Daphne (at Upwood when the village hall was the primary school in the 1950s)

'My memory is from just before I went on stage in the school play in year 6. I was in my costume and the whole class was standing around in silence, partly because of the scene that was on stage but partly because of nerves. It was always so exciting to see everyone dressed up and to look through the curtains and to see the audience watching and waiting. You would step on stage and be hit by the brightness of the lights and then you would see the faces slowly appearing in the darkness.'

Isobel (at Upwood School in the noughties)

Finally a mother and son, both Upwood School pupils:

'One of my most vivid memories is of the hobbit houses being built. We were all so excited about having something new to explore. Outside there were also some concrete tubes; I remember thinking that they were really huge - I couldn't even climb onto the largest one. (Now they seem so small!).'

Sally (at Upwood in the 80s)

'I liked my first day of school because I went in the play area and I got to play in the classroom playhouse.'

Samuel aged 6 (Sally's son and a current pupil)

A VILLAGE HISTORY PROJECT

This is open to anyone in the villages. With the 100th anniversary of the start of the Great War next year it is suggested that our villages could look at the historical records at the time and investigate what our villages were like before the war started. Cambridgeshire is running several Great War projects but this is not intended as a celebration of the war but an addition to the red and green books, already published. There is already information about the people killed in the book in the church but nothing of those who returned and how things changed. The tools are there for using: 1911 census, maps, plans and the 1910 land values. It will be a fair amount of work but can be done in 'slow time' and either independently or in small groups. Liz Carter is willing to guide. If you are interested in helping please contact Judith Harvey, 710219 and I will arrange a meeting, probably on a Wednesday evening in the Village Hall, for everyone to meet Liz to talk things through.

WEA UPWOOD BRANCH

Upwood WEA kicks off the new season with popular local tutor, Liz Carter, and a course entitled 'Strong Skirts and Stout Boots - Adventurous Women'. The course lasts for 10 weeks, from 25th September, and is on a Wednesday morning (no meeting during half-term) from 10.00 am to 11.45 am, including a refreshment break. Fee £45.30. New members are always welcome - just come along to Upwood Village Hall. If you have missed the first session you can still join any time up to week 5.

What makes a woman adventurous? The course examines the life and work of a collection of women who travelled the globe from medieval to modern times, finding common ground, exploring their motives and questioning their influence on contemporary society. Guaranteed to include lots of discussions!

To ensure you get a seat in this very popular course, contact the branch secretary on 813008 or email liz@backtracks.biz

UPWOOD QUILTERS

In August we held a day to make a twisted bag. The September meeting was our own work and in October we shall be working on our Christmas Tree Decorations for the Tree Festival.

At the November meeting we will be finishing any of the 'U.F.O' projects we all seem to have in hand. We are also looking forward to making arrangements for the Christmas Lunch in December. New members are always very welcome to join us on the last Tuesday afternoon of the month in the Village Hall.

TABLE TENNIS CLUB

The TT club had their annual summer outing in July. Southwold, Suffolk proved to be an excellent venue and the weather was superb. Fish and chips on the beach was enjoyed by the 33 members and guests, and a tour of 'The Old Picture House' provided much interest. Tuesday evening attendances continue to amaze with average numbers about 24 per session which provides a fantastic atmosphere. October will feature the club singles tournaments-Ladies 15th October and Gents 22nd October.

For more info contact David Williams 812923

Home to Home is a women's group which meets on the last Monday of the month, usually in the Village Hall at 8pm. There are a variety of talks, activities and events to interest all ages and tastes. The club is open to anyone in the neighbourhood and visitors are always welcome. If you are new to the area it's an ideal way to get to know people.

On November 25th members will be shown how to make a variety of Christmas decorations, some of which will be used for the Christmas Tree Festival, and there will be a Christmas Celebration on the 16th December. Call 711411 for more details.

UPWOOD ART GROUP

From the 14th September the UAG meets at 9.30am to 12.30 in the Village Hall. Members were very keen to have longer working together and agreed on the new hours unanimously. Great to have so many enthusiastic members!

Over the next weeks the group will be working on pictures and items for the Christmas Show, drawing and painting from life and collage work. There is a wide range of materials to try at no cost and one to one help for newcomers.

Visitors are welcome to come along and watch members at work, enjoy a tea or coffee, and try their hand at some artwork.

UPWOOD ALLOTMENTS

The allotments have suffered from adverse weather conditions this year, cold & wet and then hot & dry, and plot holders have been hard-pressed to keep up with the weeds. However, some good news! We have welcomed several new plot holders to the allotments over the summer months. The overgrown areas are now being cleared and a maintenance plan is being implemented to keep the site looking tidy. The new Allotment Agreement has been approved by the Parish Council and will come into effect from November. Plans for a new Community Orchard are moving forward and the question of security for the whole allotments site is under review by the Parish Council.

Autumn is a good time to start an allotment - we have several full/half plots available, ready for tenants. If you are interested, contact the Parish Clerk (Carol Bilverstone); the URCAA chairman Ali Miles, or the secretary Liz Carter (see below for details). We can offer advice and encouragement for all new-comers and although tenancies run from November, you would be able to take over a plot right now and get settled in before winter arrives.

RAMSEY AND DISTRICT GARDEN CLUB

The Club meets in the Ramsey Community Centre at 7.30pm on the third Monday of the month with a variety of talks and demonstrations.

We held our annual show in July at the Ramsey Rural Museum. It was a very enjoyable and successful day with a good range of entries.

The meeting in September was a talk by Simon Siggers on “Guilden Gate – Our Organic Smallholding”. The meeting in October (21st) is our celebrity speaker for the year. Nick Hamilton who runs Barnsdale Gardens in Rutland and is the son of the late Geoff Hamilton, the TV gardener, will talk on “How to Grow Vegetables all year round”.

In November (18th) we hold our AGM. This will be followed by a talk on Alpines and Alpine Troughs by Angela Whiting.

Annual membership of the Club costs £10 and visitors are welcome to individual meetings at £2. For further information please contact Ian Gaunt 710702; ian.gaunt@care4free.net).

RAMSEY & DISTRICT U3A

Our meetings always take place on the second Tuesday each month - at 2.00 pm at Ramsey Community Centre. Our speaker in October is the Eel Man of Wisbech and in November we are having a Family History Workshop. The December meeting is, of course, our Christmas Party. Visitors are always welcome (£1 entry charge) refreshments included. We'd love to see you then, but if you'd like more information please Ring Nina Akehurst on 01487 711 265. Apart from our monthly meetings, all our interest groups hold their separate meetings and you can get more information about the groups on our website www.u3asites.org.uk/ramsey

This is a message sent via ‘ecops’ on behalf of Cambridgeshire Constabulary. There have been three Catalytic Convertor thefts in Huntingdonshire reported: - two in Ramsey: from cars parked overnight on private driveways and one in Farcet: again parked overnight but on the street. Previously the majority of thefts have been from either vans or larger 4 x 4 vehicles where the ground clearance is greater. In the past this crime type continues for a few days with no particular pattern regarding the location of offences.
