11 Feb 16	Thur	WEA – The Friendly Invasion	10-4pm	UVH, Liz 813008
3 Mar 16	Thur	WEA – Pomp and Circumstance	10-4pm	UVH, Liz 813008

PARISH COUNCIL

The parish council met on Monday 7 September.

County Councillor Michael Tew reported on the success of the first meeting of the new five-parish forum enabling local councils to work more closely together; to share ideas and resources; and also to collaborate on areas of shared concern particularly regarding development and its supporting infrastructure.

Councillors were pleased to learn that the Community Led Plan has been finalised and signed. The plan will be launched at an event in the village hall on 24 October. Three working parties are working continuously to address the action points identified in the plan:

- The communications working party has submitted a bid to the Ramsey Windfarm Trust to enhance communication networks across the parish; and the council resolved that an “open forum” of ten minutes will be included in every future meeting to encourage greater participation.
- The housing and planning team is identifying land use across the parish and collating the views expressed in the questionnaires to help to guide future sustainable development.
- The roads and road safety team is considering options for speed reduction measures in Upwood and Great Raveley. Mr Keith Sisman has been appointed as a coordinator for Speedwatch and councillors were pleased that this initiative will be re-established. Parishioners are invited to volunteer to support this. Training will be provided.

The council is planning ahead for the winter. A survey of its grit bins has taken place and plans for their renewal, refurbishment and re-filling are underway.

Councillors agreed that a wooden bench, currently in storage, should be refurbished and located in the cemetery. The area alongside the ditch will be seeded with a wildflower mix which will hopefully provide a colourful display in the spring.

The next meetings will be held on Monday 5 October and Monday 2 November at 7:00pm. All are welcome to attend. Agendas and detailed minutes of parish council meetings; policy documents; and further information about Upwood and the Raveleys Parish Council is available at **www.upwood.org**

Carol Bilverstone
Parish Clerk & Responsible Financial Officer

UVH PERFORMING ARTS EVENTS

Melrose Quartet

Thursday 15 October at 7.45pm

Tickets: £12.50

The somewhat reserved name for this band belies the irresistibly powerful sound which this talented foursome creates along with sumptuous four-part harmonies. Featuring Nancy Kerr (*fiddle/vocals*), current BBC Folk Singer of The Year, along with her husband James Fagan (*bouzouki/vocals*), Jess Arrowsmith (*fiddle/vocals*) and Richard Arrowsmith (*melodeon/vocals*) this promises to be one of the stand-out concerts of the season.

Nicholas Collett performs “Nelson, A Sailor’s Story”

Thursday 12 November at 7.45pm

Tickets: £10.00

Amidst the shot, smoke and din of battle, a surgeon, a midshipman, a gunner and a powder monkey aboard HMS Victory strive to destroy the Combined Fleet of France and Spain. His is a very welcome return to UVH following his brilliant one-man performance in Spitfire Solo in 2012.

Also:- Chris Newman & Maire Ni Chathasaigh – Celtic Christmas Strings

Thursday 10 December at 7.45pm Tickets: £14.00

Box Office: 814114 / pndmcleod@btinternet.com

COMMUNITY ORCHARD QUIZ

Our 2nd fund raising quiz is on **Saturday 3 October** at Upwood Village Hall. Doors open 7pm for 7.30pm start. Teams to consist of a maximum of 4 people, tickets cost £5 per person which includes tea/coffee and a pudding during the interval. Please bring your own glasses, drinks and nibbles. Tickets just might still be available from Julia & Paul Evans **711388** or quiznight@barfieldhouse.net

BENTLEY CLOSE PLAYGROUND – A POLITE REQUEST

The Newsletter has been contacted by a concerned parishioner who was hoping to use the Bentley Close playground with his three year old grandson but was unable to do so owing to older children occupying the area. Would all parishioners note that this playground is for pre-school and small children only.

UPWOOD PRIMARY SCHOOL NEWS

Upwood Primary School pupils and staff enjoyed a lovely summer break, making the most of the wonderful weather. We opened our doors for the beginning of the Autumn Term on the 3rd of September, welcoming our new Foundation children to primary school for the first time.

During this term, the school collects toiletries for the residents of Manor House, as part of our work on 'Harvest.' Pupils in Years 2 and 4 will visit Upwood Church and Manor House during October to take part in a service to celebrate Harvest and to hand over the donations to residents at the home.

All the children have enjoyed the first few weeks of the academic year and look forward to preparing for Christmas in the coming weeks. Our Christmas Performance this year focuses on different Christmas traditions and pupils and staff are beginning to think about their class parts in the play.

HIGH TEA & TALL TALES
With
Bob Elvis

Come and join Storyteller and Poet Bob Elvis

WALKING TREASURE HUNT & MUSICAL EVENING

The usual August Bank Holiday weather, rain, rain and even more torrential rain, was the reward twelve intrepid groups of families and friends received when they turned up at the Cross Keys PH to take part in the Walking Treasure Hunt, organised by the Newsletter Committee. The committee were keeping a wary eye on the weather and debating whether or not there would be enough participants to be able to stage the event. Fears were even expressed that no-one would turn up but we were delighted as the trickle of teams turned into a small flood.

The treasure hunt was designed to work in both directions and teams were sent off with strict instructions *'not to follow the team in front since they could be doing the opposite route'*. Amazingly all 12 teams came back with very soggy answer sheets and, although not all completed the course, everyone agreed that, despite the weather, it had been very enjoyable.

While the teams steamed dry in the lounge bar and the markers set to work, they were entertained by Upwood Ukuleles. A big cheer went up as the final team, looking rather bedraggled, staggered in. When the results were announced the winners were the aptly named 'Drowned Rats' alias the Taylors, closely followed by the Bilverstones and the Ramsey Ringers. 1st prize was a meal for 2 adults and 2 children generously donated by the Cross Keys.

The evening continued with music under a marquee in the paddock by 'Black Smoke Symphony' and Doug & Kate, 2 members of local function band 10 O'Clock Curfew, who played an acoustic set. Both groups coped admirably with the conditions and the crowd was more than repaid for their fortitude in defying the odds and coming to the event.

Thanks go to the Hayley & Graham for barbequing and allowing their premises to be used. All profits are being equally divided between Magpas, the charity the UpUs support, and the newsletter.

OWLS IN UPWOOD VILLAGE HALL – A HOME TO HOME EVENT

Normally one would imagine a bird of prey flying demonstration taking place in wide open spaces outside. However the Home to Home committee arranged for the Raptor Foundation of St Ives to come and give a display in the village hall. The open meeting meant that members could invite friends and family, so the audience included several children as special guests.

Terri and Sophie, both trained falconers, brought with them 5 owls and a Harris Hawk for their demonstration. They were a tiny White Faced Owl (Goliath), a female Barn Owl (called Trevor!), a Tawny Owl (Topaz), an African Spotted Eagle Owl (Sharni) a European Eagle Owl (Ben) and the Harris Hawk (Gem).

The birds of prey sit patiently on their perches during the talk

For those of you who don't know, the Raptor Foundation was formed in 1989 when the McQuillan family were asked to look after a Tawny owl called Boris at their home in Ramsey. Their home soon became known as the local rescue centre for birds of prey. In 1996 the current site was found outside St Ives and over the years the centre has grown and developed into what it is today. Some of the birds have been rescued from injury or being orphaned. A lot were pets that became too difficult for their owners to care for and many have been born at the centre.

Topaz, a Tawny Owl

Goliath, a White Faced Owl

The first part of the evening was taken up with Terri explaining in detail about each bird whilst Sophie brought round the bird being described to be held and stroked. This enabled all those with cameras to get some excellent shots of some of nature's best loved birds. Trevor seemed very energetic and wanting to fly, but that would come later. Everyone learnt some very interesting facts about Owls in general:

- ❖ *Females are usually bigger than the males!*
- ❖ *The 'Twit' and 'Twoo' of the Tawny Owl is really a male and female calling to each other, with the female going 'Twit' and the Male going 'Twoo'.*

Ben, a European Eagle Owl

- ❖ *Owls have 3 colours of eyes: dark (night hunters), yellow (day hunters) and orange (dusk and dawn hunters).*
- ❖ *They have 5 times better daytime vision than humans and are 10 times better at seeing things in the dark. However because of their 'binocular' vision they are not able to focus on their own feet.*
- ❖ *The 'heart-shaped' face of many owls also acts as a hearing receptor helping to enable it to hear the heartbeat of a small vole/mouse from a distance away.*
- ❖ *The owl has 14 separate vertebrae in its neck, enabling it to rotate its head through 270°.*
- ❖ *The term "raptor" is derived from the Latin word rapere (meaning to seize or take by force or feet).*

Sharni, an African Spotted Eagle Owl

Trevor, a female Barn Owl

After a break for coffee we were treated to a flying display. Trevor and Topaz separately swooped to and fro across the audience and there were many 'oohs' and 'ahhs' from the enthralled people. Finally it was the turn of Gem, the Harris Hawk who again excited by flying centimetres above our heads

An unusual thing about Harris Hawks is that they hunt in packs instead of operating as solitary hunters. Groups typically include from 2 to 7 birds and not only do birds co-operate in hunting, they also assist in the nesting process.

Gem, a Harris Hawk

Everybody thoroughly enjoyed this unique display and would like to thank the Raptor Foundation and especially Terri and Sophie for treating us to such a wonderful evening.

UPWOOD UKULELES RAISE £1000 FOR MAGPAS

The UpU's are very proud to have now raised a fantastic £1000 for Magpas Helimedix, the charity which provides the "on call" air ambulance and specialist medical team ready to be despatched to cases of life-threatening illness or major trauma within the East of England.

At the beginning of September members of the ukulele group were invited to be shown around the Magpas base at RAF Wyton where they were able to experience at first hand the fantastic work that the charity does. It was amazing to learn how many paramedics and doctors give up their free time to volunteer for this worthy cause.

Having posed with the duty Helimedix medical staff for light-hearted photos there was a sudden return to reality when the helicopter was suddenly scrambled to attend an accident near Kings Lynn.

HOME TO HOME

Our October meeting, on Monday 26 October is an 'Antiques Roadshow' and will be hosted by Mr Smith from Abbey Antiques in Ramsey. They have a wide and varied range of expertise and a natural enthusiasm for their topics.

We are delighted to welcome back Amanda for another hands-on practical evening on Monday 30 November. Amanda's floristry evening back in May this year was great fun and this time, with Christmas in mind, we will be making festive bows.

Our meetings are held in Upwood Village Hall and these two meetings start at 8pm. Guests are warmly invited to join us. We do ask for a £3 entrance but this will include your refreshments. Contact Jackie on **711329** for further details.

GREAT FEN

The Great Fen Local Group AGM is on Thursday 1 October 7.30pm at the Wildlife Trust Countryside Centre. All are welcome and the evening includes talks on recent work on the Great Fen. Further info info@greatfen.org.uk

PLUSNET SCAM!!

The Newsletter has been contacted by a parishioner saying that they received a call from an individual saying that their 'Plusnet' direct debit had failed and could they give the caller bank details to re-input. Be aware that calls like this are likely to be a scam and it is best to hang up and contact your 'Plusnet' on another phone (as bogus callers leave the line open and you could be talking to the same person if you use the same phone). Parishioners should exercise caution if you receive calls like this especially those asking for you to transfer money or requesting PIN numbers.

WEA

WEA Upwood branch - advance warning - save the dates! Two stand-alone day schools for the Spring Term, quite different topics and two totally different style tutors:

11 Feb 2016 "The Friendly Invasion – the US Army Air Force in East Anglia" with Ian McLachlan . The combat history, cultural impact and legacy of the American presence during World War 2. Local airfields, local communities and lots of illustrations. Very topical in today's uncertain political landscape.

03 March 2016 "Pomp & Circumstance" with Chloe Cockerill. From the orb to the sceptre, we will examine the significance of the symbols of Royal ceremonies and sovereignty. With our current monarch now officially having the longest reign in history, what better time to examine the trappings of monarchy and parliament. Lots of anecdotes, illustrations and interesting side-lines guaranteed.

Both Day schools run from 10 am to 4 pm, and fee is £18.00 each. Tea/coffee and cake will be provided but you will need to bring your own lunch. They will be popular so if you would like to reserve a place now, or would like more information about Upwood WEA, just contact Liz Carter (secretary) by email on liz@backtracks.biz or by phone **813008** (voicemail) or Roger Peckover (treasurer) on rorupec@aol.com

UPWOOD CAROL SINGERS

Upwood Carol Singers have raised almost £3,000 over the last eleven years for local cancer charities and we are looking for someone to co-ordinate this annual event. This is a small commitment but it's an enjoyable evening for a very good cause. Please contact Carol Bilverstone on **812447** or carol.bilverstone@me.com

UPWOOD AND THE RAVELEYS HISTORY GROUP

The History Group continues to go from strength to strength with ever-increasing numbers attending the talks, especially if Kevin Dalley's talk in July on the history of the Pathfinder Force is anything to go by.

A small group of us had a thoroughly enjoyable and enlightening guided talk by Andrew Sankey around Cambridge Botanical Gardens on 12 September. Andrew told us that originally the Gardens were on a six acre site much closer to the centre of the city and only moved to their current site in the 1840s. This was quickly followed by Barry Williams giving us an entertaining and informative talk on the history of Ramsey Abbey at our bi-monthly meeting on 16 September. On 18 November members and visitors are being invited to bring along family heirlooms and items of historical interest to show to the group and hopefully tell us a little bit about their history. On 20 January 2016 there will be a talk on the Ramsey Rural Museum.

If this 'whets your appetite' do come along in November and see just how fascinating history actually can be. Meetings are held in the village hall on the third Wednesday of alternate months, starting at 7.45pm. The cost for an annual membership of the History Group is £10 but visitors are welcome to individual meetings at a cost of £3. For further information please contact the chairman Andrew Bilverstone: tel 812447 or email bilvers@btinternet.com

NEW DATES FOR MEET & MUNCH

As autumn draws nearer the Meet and Munch team of volunteers met at The Cross Keys pub to plan dates for the next series of lunches.

There are currently 23 ladies and gentlemen who are registered as members and for the past few months they have met at the Village Hall for a chat and enjoyed some delicious teas. With colder weather and darker days approaching we will be serving hot lunches.

We always welcome new members so if you are on your own or would welcome meeting new people, please contact Jan Howe **814393** for more details.

The dates and times for lunches are 1pm till 2.30pm on Saturdays at the Village Hall on **3 October, 7 November, 12 December and 9 January.**

UPWOOD ST PETER'S CHURCH

The Christmas Tree Craft and Festival is on Saturday 5 December between 10-5pm in St Peter's Church. Non-alcoholic mulled wine, cakes and other refreshments available. If you wish to have a stall or display a Christmas tree (all you need is an artificial tree no higher than 6 feet) contact me as soon as possible for further information. You would need to give it a name and then you can decorate it as you wish. More details to come in the next issue. Please contact me on **812195**, text **07709 025487** or email **annemarie.upwood@virgin.net** *Anne-Marie Cracknell*

Harvest Festival Sunday

After the service at St Peter's on 11 October you are invited to Upwood Village Hall to share in fellowship and a meal.

All you need to do is bring along a plate of food to share with others. My friend calls this a 'Faith Lunch' and said that there is always plenty, but it would help if you could indicate what you would be willing to bring. There will be a list on the table in church for you to fill in; this is just so that we do not have all sausage rolls and nothing else!! We will walk down to the hall with our contributions after church and have coffee once there.

Visitors

When Mary Elizabeth Spofforth died last year her family wanted to add the date of her death to the memorial in church dedicated to their father. Because Sally, the eldest daughter, was overseeing this and living in Canada the arrangements were limited to emails between the two countries. It was wonderful that on 2 August Mary Elizabeth's four children came to St Peter's to see the memorial. They spent some time in church remembering when they lived here in the village and attended church.

Mary Elizabeth was the daughter of Sir Ernest Shepperson and his wife so it was their grandchildren who told us about their grandparents. Apparently Sir Ernest would time the sermon; we asked if it was true that Lady Shepperson used to bring a hot water bottle with her in the winter months. On leaving church they went to look at Upwood House and reminisce some more. If you are in St Peter's do look at the memorial on the right hand side of the altar and think about the family who lived here.

A little later the same day another family came in. A couple who were married at St Peter's ten years ago had come with their children to show them where they had been married. It felt like a very lovely thing to do and I took a photograph of them all on the step by the rood screen. Do look in the visitor's book to see the comments the two families left. *Jean Place*

RAMSEY RURAL MUSEM

Your local museum in Wood Lane Ramsey is now reaching the end of the season. Until the end of October, the museum will be open on Thursdays from 10.00 am to 5.00 pm and on Saturdays and Sundays from 2.00 to 5.00 pm. Even if you have visited before there are changes and new exhibits that make another visit worthwhile.

Visits for groups can be arranged at other times including refreshments and guided tour, if required. Why not consider this as venue for your group? The facilities of the museum (Courtyard, Historic barn, tea room or a range of marquees with tables and chairs) are also available for private events.

On 6 September the National Vintage Cycle Club held a rally at the museum with a parade through Ramsey and the villages. On the following weekend (September 13) the Museum was open as part of the Ramsey Heritage Day. The weather was good and the day was enjoyed by a large number of people who were able to rest or take refreshments in the courtyard as well as touring the extensive social history exhibits and those related to agriculture and horticulture.

At the end of September was the museum Plough Day and Country Fair. It is always worth visiting if simply to see the ploughing competition by the heavy horses and this year we had heavy horses pulling a waggon. In addition there was a wide range of tractors (modern and vintage) ploughing, and a range of trade stands, food stalls and demonstrations. This is always a great day out so if you missed it this year don't make the same mistake next! We close our season with a food fayre on 1 November.

For further information please contact Ian Gaunt **710702**; ian.gaunt@care4free.net

UPWOOD ART GROUP

Upwood Art Group are currently seeking new members, experienced or otherwise, to join their club. No formal tuition is given, just the opportunity to paint in a convivial atmosphere where guidance is provided if necessary.

A varied weekly programme gives everyone a chance to express themselves in whatever medium they choose, be it watercolour, acrylic, oil, pastel or just sketching in pencil. We sometimes all do "still life" and on other occasions do our own thing.

The weekly charge is minimal and the conditions excellent so why not come along and see for yourself? Upwood Art Group meets every Saturday morning from 10am in Upwood Village Hall. The members will look forward to seeing you.

Contact Frances Ashfield **711411** for further details.

RAMSEY AND DISTRICT GARDEN CLUB

The Club meets in the Ramsey Community Centre at 7.30pm on the third Monday of most months with a variety of talks and demonstrations. It is a friendly group that is aimed at everyone who is interested in gardens or plants. In addition visits are arranged to gardens such as the Royal Horticultural Society gardens.

We have started our programme of talks after a break for the annual show in July and a break in August. In September we had a talk on 'Green Magic' by Peter Walker. The programme for the next few months is:

- October 19: Ian Limmer of Peter Beale's Roses talking on 'Roses'
- November 16: John Gibson talking on 'Madeira; Garden of the Atlantic'
- December: no meeting
- January 18: Joe Sharman talking on 'Snowdrops'

Annual membership of the Club costs £10 but visitors are welcome to individual meetings at £2. For further information please contact Ian Gaunt **710702**; ian.gaunt@care4free.net

TABLE TENNIS CLUB

The Ladies Singles annual club tournament was held on Tuesday 29 September. The standard of play was high and was played in very good spirits. The Gents' Singles tournament will be held on Tuesday 6 October. It starts at 7.30pm and spectators would be very welcome to attend this entertaining evening. There will now be a coaching session every month for our less experienced players to help improve the general club standard.

Wednesday afternoon sessions continue to improve with excellent attendances and an atmosphere that must be seen to be believed! Everyone has a great time. A members' trip to Pidley Tenpin Bowling followed by a supper is planned for our 'winter' outing in November. There are club vacancies for both Tuesday night and Wednesday afternoon sessions. If you are interested in joining this very friendly club please contact David on **812923**.
